Dear Mr Sutton

Re: Moor Pool Allotment Association

Thank you very much for sending me a copy of the Association's proposals in respect of the Valley Site.

I think these proposals are an excellent idea and have my firm support. I have written to the Planning Department in this regard and enclose a copy of my letter for your information.

I will be in touch as soon as I have their response. However, if you have any questions in the meantime, please do not hesitate to contact me.

With best wishes

Yours sincerely

Dear Mr King

Re: Moor Pool Allotment Association

I am enclosing correspondence I have received from the Moor Pool Allotment Association outlining alternative proposals for the redevelopment of the "Valley Site" (Site A) on the Moor Pool estate.

As you will note, the Association advocate the removal of the garages on the northern side of the site, adjoining Margaret Grove, and their replacement with new allotments. This would effectively restore the historic allotment provision at this location. The Association have drawn up a detailed plan that addresses the issues of drainage and water dissipation. I also note that there is clear local demand for additional allotment provision on the estate.

I am wholly in support of this proposal and trust that agreement can be reached as the plans for the redevelopment of the estate progress.

I look forward to your response.

Yours sincerely
